

2021-22 HOSA Officers			
Candidates	Photo/slogan	A little about me	Select your candidate (choose only one from each officer category)
President (Senior Only)			
Ayat Kazmi		<p>Hey guys! My name is Ayat Kazmi and I am a senior at PSHS. I am also part of the National Honors Society chapter at my school and at WILCO I am part of the National Technical Honors Society, two organizations that are very significant. Last year I was the Vice President for HOSA and also participated in the competitive events , and partnered with the Plainfield Public Library to give HOSA members volunteering hours they need during the pandemic, so I learned what the responsibilities are and what is expected from one when you are a one of the leaders of a very beneficial organization, but I also learned on what I need to improve as a leader to make this HOSA chapter beneficial for all of us and something we actually enjoy from our hearts rather than just going and participating for the attendance. Even though last year we all were in remote learning some opportunities</p>	

		<p>were limited for us but this year will surely be a change. By joining this specific organization I can already tell we all have some values and motives that are alike, such as Helping people and the community. With these motives and values we all will surely be able to work together to pursue a common goal, let it be a goal for us individually or as a group. As your President I will make sure that this year will be more beneficial than the last , and that It won't be just the President and the Vice President having a voice in everything but it will be each and every member will be able to have a voice and a role.</p>	
Vice President			

Areli Rosas

Hey guys! I'm a junior currently enrolled in the Introductory to Health Professions class. When it comes to leadership roles, I got you covered. Due to my former experience as President of Builder's Club and current member of NHS, I know the effort and responsibility that comes with this position and am willing to put the work in. I'm open to all opinions and ideas as the best results come from collaboration; everyone's voice matters! Throughout the year, I will engage in communicating new opportunities and focus on creating an inclusive and enjoyable environment for all. I look forward to teaming up with all HOSA officers in building a well-organized chapter for the benefit of

		<p>our members. As vice president, my main priority is keeping an open communication with you all and voicing concerns to reach a common objective: a path towards a health related profession. Furthermore, my goal is to be an accurate embodiment of our students' chapter.</p> <p>I hope to serve you in the future and that you choose to vote for me! Thanks!</p>	
Secretary			

Trisha Miranda

Heyyy everyone, my name is Trisha and I am currently a junior at Romeoville High School. I am currently in the Introduction to Health and Professions class. By joining HOSA I see many personal and professional advantages in this organization. One important aspect of the organization is being able to meet and communicate with new people! Creating relationships with people holds importance to me and by taking this role, I look forward to being more involved with people and this organization. I am involved in other clubs which include leadership and student council! I feel I'm very driven and always strive to do my best in anything I do!

I hope I have convinced you to vote for me and promise to do this job

		to the best of my ability!! I look forward to working with each and everyone of you <3	
Session 1 Ambassador			
Marisa Andersen		<p>Hi! My name is Marisa. I'm currently taking the CNA class at Wilco to work towards my dream of being a Nurse Practitioner. I aspire to become a NP because I love helping people in their most vulnerable times. Most of my family work in the healthcare field, I look up to all of them because of all they do especially during the COVID-19 pandemic. I'm also involved in the leadership club and junior council at RHS. I powerlift for RHS as a competitor in state and other competitions. I'm a very motivated and determined person and I never settle for less. I also never</p>	

		procrastinate and always get things done efficiently!	
Session 2 Ambassador			
Jibby Yussuf		<p>I'm a junior at BHS and I'm currently taking the Certified Nursing Assistant class because my goal is to be a pediatric nurse when I graduate college. I am introverted at first but when we get to know each other my vibe is comforting. I am a very capable person and always willing to get whatever that needs to be done, done.</p>	
Session 3 Ambassador			

Autumn Flowers

I am a junior that attends Romeoville High School. I am in Wilco for the Intro. to health program. I am a very sociable and reliable person and will get the word out in a smooth and unconflicted manner.
