

## WILCO PRESCHOOL

**WILCO PRESCHOOL** has been established in conjunction with the WILCO Area Career Center. The purpose of the career center is to offer high school students the training which will provide them with the necessary skills for employment upon completion of a selected program. Our program, Child Care, is designed to train high school students in the field of Early Childhood Education. The high school students will be working with and teaching the children, as well as observing and learning about early childhood education. With the assistance and supervision of the preschool director and assistant teacher, the students will plan activities and lessons to promote the intellectual, physical, social-emotional, and language development of your child.

**WILCO PRESCHOOL** offers various morning or afternoon programs as well as an all-day program. A registration fee and tuition are charged. The fees are used for school and snack supplies, equipment, and various activities throughout the year.

**REGISTRATION FEE Due by: Wednesday, March 13, 2019 to guarantee your child's enrollment.**

The full-day and the five (5) mornings program have a \$100 non-refundable fee. The other half-day programs have a \$60 non-refundable fee. If tuition is paid in full on or before the first day of preschool, the registration fee will be deducted from your payment.
