Course Fee: \$895.00 - To secure a spot in the class you must pay the \$200 deposit. If this is not paid you could be bumped by a paying student. The class fills quickly so pay your deposit as soon as possible. All fees can be paid online at www.wilco.k12.il.us.

All fees are due by **June 1st or you will be dropped. No refunds will be given after **June 9th, 2023**. No exceptions.**

CPR Class: All students must have a current American Heart Association (AHA) BLS Provider Certification. Wilco will offer this instruction, **June 5th, 2023 at 8:00 a.m.** The cost is \$60.00 per person and must be paid in advance. Please register by contacting Wilco at 815/838-6941 or abaxter@wilco.k12.il.us

Criminal Background Check: In order to participate in the CNA class you must have a criminal background check from an approved provider BEFORE the first day of class. A list of approved vendors will be provided. If this is not completed before class you will not be permitted to attend.

Uniform: You will need a plain white scrub top, navy scrub pants, and white leather nursing or leather athletic shoes for clinical. You will be provided with a nametag.

Schedule: Your attendance is critical. IDPH has set the number of hours required for your attendance in both the theory and clinical portions of the class. There are no extra hours built into the schedule. If you miss 1 day you will be dropped from the program, no exceptions.

Textbook/Supply list: Review the supply list prior to class. We use *Mosby's Essentials for Nursing Assistants Textbook and Workbook, 5th Edition*. You can obtain this and the Gait Belt (metal buckle only) the first day of class. The cost is listed in the supply list.

Physical & 2-Step TB Test: You will need a 2-Step TB test and proof of a physical. Your physical must state you have no physical lifting restrictions. Bring proof on the first day of class. The TB test must be a 2-Step TB Test: Step 1: Test placed; read within 48-72 hours;

Step 2: 2nd Test placed 7-21 days after the 1st test; Read within 48 hours

You may also opt to do the Quantiferon blood test for TB. That test is acceptable in place of the 2-step.
