

PRIORITY DEADLINES: Review the Financial Aid Announcements at my.jjc.edu/fa for upcoming Financial Aid Priority Deadline Dates

IMPORTANT: Students are highly encouraged to complete the financial aid process by the priority deadline. However, a student can still apply for financial aid after this date, but will be responsible for payment on the due date of the term if aid has not been finalized.

FINANCIAL AID PROCESS

- Complete the JJC online admissions application at jjc.edu/apply.
- You will need a Federal Student Aid ID (FSA ID) to apply for federal student aid. Create one at StudentAid.gov if you do not already have one. Parents of a dependent student will be required to create an FSA ID as well.
- Complete the 2022-2023 **Free Application for Federal Student Aid (FAFSA)** online at Studentaid.gov. **JJC's school code is 001699**. FAFSA results are usually received within 3 business days. You will receive a Student Aid Report from the Department of Education and the school will receive the same information.
- Once JJC receives your FAFSA results, you will receive an email via your JJC student email account directing you to review your financial aid checklist on Financial Aid Self-Service. Log into my.jjc.edu. Choose: Self-Service Menu > Pay Bill & View Financial Aid > Financial Aid Self-Service. If you are missing any documents, it will show under 'Required Documents'.
- Submit all requested documentation via secure upload at my.jjc.edu/fa, fax (815) 280-2547, or in person at Main or Romeoville Campus. Your financial aid will **NOT** be processed until all documentation has been received. Note priority deadlines listed at my.jjc.edu/fa.
- Upon receipt and review of all required documents, you will receive an award notification via your JJC student email account. Review your award(s) on the Financial Aid Self-Service portal. The award letter will outline the amounts you are estimated to be eligible to receive for the academic year.
