

# BUSINESS LOGISTICS

## SCM 120 - IMPORT & EXPORT MGMT.

January-March 2024

Dual College Credit Coursework

### From Mrs. Zitzke

We will be reviewing the Global Supply Chain, Export and Import Operations and Risk Management in International Business.

Management Skill Sets, Technology in Global Trade and Specialized Transportation Issues will also be topics reviewed to name a few.

**IMPORTANT:** Be sure any JJC dual credit fees are paid. Access/activate the MyJJCAccount, or contact Student Accounts at 815-280-6688 (M-Th 8AM-6PM, Fri-8AM-4:30PM), to make payment.

### What we are learning:

- A lot about International Supply Chain Mgmt. Analytics
- Resumes and Essential Skills
- Presentations
- Applying our Math & English Skills
- Transportation & Technology Issues

### Important Dates

- 7th of March - Tech. & Trades Career Expo at Wilco during class time.
- 13th of March - Pathways To Profession Exhibition - Romeoville Rec Center
- 15th of March - Moving on to next course: SCM 140 - Tptn. & Cargo Security!
- 11th of April - Wilco OPEN HOUSE - 6-8PM

### How We Are Learning

Students enjoy using our Chapter Kahoots! and Quizlets to learn. We work in teams and individually. Power Points and lecture are also part of our activities. Presentations are used a few times during each course to get experience in researching a topic, become more comfortable speaking in front of others and learning from others.

We've also worked on our resumes and essential skills. Journals are used daily (and turned in on Fridays) for our CTQs (Critical Thinking Questions) and other class notes. Ask us about them!

### Special Projects

- Individual Presentations
- Special Topic Business Presentations
- Course Learning Objective Team Presentations
- Risk Management Applications

### Students of the Quarter

1st Quarter - Daniel S.

2nd Quarter - Artur
