Does Fancy Fairy qualify for free or reduced lunch?

☐ Yes

Registration in a JJC Dual Credit course is separate from the high school/career center course registration. Your student will earn college credit with JJC upon successful completion of the Dual Credit course with a grade of C or better. By consenting to your student's enrollment, you agree to the financial terms associated with Dual Credit courses. All Dual Credit courses are assessed at the tuition rate of \$12 per credit hour, and payment is due upon course registration. Tuition statements and charges appear in the student's MyJJC account upon course registration. Tuition is waived for students who qualify for the Federal Free and Reduced Lunch Program.
